The Week-end Review 1934

Backpacker 2007-09 Backpacker brings the outdoors straight to the reader's doorstep, inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure, Backpacker is the world's first GPS-enabled magazine, and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. Backpacker's Editors' Choice Awards, an industry honor recognizing design, feature and product innovation, has become the gold standard against which all other outdoor-industry awards are measured.

Give Me Liberty! Eric Foner 2017-07 The leading text in the U.S. survey course.

Lies My Teacher Told Me James W. Loewen 2018-07-17 "Every teacher, every student of history, every citizen should read this book. It is both a refreshing antidote to what has passed for history in our educational system and a one-volume education in itself." —Howard Zinn A new edition of the national bestseller and American Book Award winner, with a new preface by the author Since its first publication in 1995, Lies My Teacher Told Me has become one of the most important—and successful—history books of our time. Having sold nearly two million copies, the book also won an American Book Award and the Oliver Cromwell Cox Award for Distinguished Anti-Racist Scholarship and was heralded on the front page of the New York Times. For this new edition, Loewen has added a new preface that shows how inadequate history courses in high school help produce adult Americans who think Donald Trump can solve their problems, and calls out academic historians for abandoning the concept of truth in a misguided effort to be "objective." What started out as a survey of the twelve leading American history textbooks has ended up being what the San Francisco Chronicle calls "an extremely convincing plea for truth in education." In Lies My Teacher Told Me, James W. Loewen brings history alive in all its complexity and ambiguity. Beginning with pre-Columbian history and ranging over characters and events as diverse as Reconstruction, Helen Keller, the first Thanksgiving, the My Lai massacre, 9/11, and the Iraq War, Loewen offers an eye-opening critique of existing textbooks, and a wonderful retelling of American history as it should—and could—be taught to American students.

Black Identities Mary C. WATERS 2009-06-30 The story of West Indian immigrants to the United States is generally considered to be a great success. Mary Waters, however, tells a very different story. She finds that the values that gain first-generation immigrants initial success--a willingness to work hard, a lack of attention to racism, a desire for education, an incentive to save--are undermined by the realities of life and race relations in the United States.

Contrary to long-held beliefs, Waters finds, those who resist Americanization are most likely to succeed economically, especially in the second generation.

The Mueller Report Robert S. Mueller 2019-04-26 This is the full Mueller Report, as released on April 18, 2019, by the U.S. Department of Justice. A reprint of the report exactly as it was issued by the government, it is without analysis or commentary from any other source and with nothing subtracted except for the material redacted by the Department of Justice. The mission of the Mueller investigation was to examine Russian interference in the 2016 Presidential election, consisting of possible links, or "collusion," between the Donald Trump campaign and the Russian government of Vladimir Putin as well as any allegations of obstruction of justice in this regard. It was also intended to detect and prosecute, where warranted, any other crimes that surfaced during the course of the investigation. The report consists of a detailed summary of the various investigations and inquiries that the Special Counsel and colleagues carried out in these areas. The investigation was initiated in the aftermath of the firing of FBI Director James Comey by Donald Trump on May 9, 2017. The FBI, under Director Comey, had already been investigating links between Russia and the Trump campaign. Mueller submitted his report to Attorney General William Barr on March 22, 2019, and the Department of Justice released the redacted report one month later.

The American Yawp Joseph L. Locke 2019-01-22 "I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world."—Walt Whitman, "Song of Myself," Leaves of Grass The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, The American Yawp incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of The American Yawp will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans. The American Yawp traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, The American Yawp gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.

In All Things Melissa B. Kruger 2018-06-05 This accessible and practical Bible study of the book of Philippians invites you to discover a joy and contentment that will carry you through every circumstance of life. With warm teaching and perspective-shifting insights, Bible teacher Melissa Kruger walks you through the power-packed words of the apostle Paul to believers in the early church to discover what he knew about the secret to unshakeable peace--and how his insights can help any woman discover a secure and satisfying contentment no matter what life may bring. With the Scripture passages printed right in the book for handy reference, this is an ideal resource for busy women of any life stage who want to deepen their spiritual life and increase their daily joy.

Teeth Mary Otto 2017-03-14 An NPR Best Book of 2017 "[Teeth is] . . . more than an exploration of a two-tiered system—it is a call for sweeping, radical change." —New York Times Book Review "Show me your teeth," the great naturalist Georges Cuvier is credited with saying, "and I will tell you who you are." In this shattering new work, veteran health journalist Mary Otto looks inside America's mouth, revealing unsettling truths about our unequal society. Teeth takes readers on a disturbing journey into America's silent epidemic of oral disease, exposing the hidden connections between tooth decay and stunted job prospects, low educational achievement, social mobility, and the troubling state of our public health. Otto's subjects include the pioneering dentist who made Shirley Temple and Judy Garland's teeth sparkle on the silver screen and helped create the all-American image of "pearly whites"; Deamonte Driver, the young Maryland boy whose tragic death from an abscessed tooth sparked congressional hearings; and a marketing guru who offers advice to dentists on how to push new and expensive treatments and how to keep Medicaid patients at bay. In one of its most disturbing findings, Teeth reveals that toothaches are not an occasional inconvenience, but rather a chronic reality for millions of people, including disproportionate numbers of the elderly and people of color. Many people, Otto reveals, resort to prayer to counteract the uniquely devastating effects of dental pain. Otto also goes back in time to understand the roots of our predicament in the history of dentistry, showing how it became separated from mainstream medicine, despite a century of growing evidence that oral health and general bodily health are closely related. Muckraking and paradigm-shifting, Teeth exposes for the first time the extent and meaning of our oral health crisis. It joins the small shelf of books that change the way we view society and ourselves—and will spark an urgent conversation about why our teeth matter.

Cracking the AP U. S. History Exam, 2017 Edition Princeton Review (Firm) 2016-08 Provides a comprehensive review of key test topics, test-taking strategies, and two full-length practice tests with detailed answers explanations.

U.S. History P. Scott Corbett 2017-12-19 Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

Teaching "Night" Facing History and Ourselves 2017-11-20 Teaching "Night" interweaves a literary analysis of Elie Wiesel's powerful and poignant memoir with an exploration of the relevant historical context that surrounded his experience during the Holocaust.

The National Observer Index, with Top News of the Week in Review 1977

Los Angeles Magazine 2003-11 Los Angeles magazine is a regional magazine of national stature. Our combination of award-winning feature writing, investigative reporting, service journalism, and design covers the people, lifestyle, culture, entertainment, fashion, art and architecture, and news that define Southern California. Started in the spring of 1961, Los Angeles magazine has been addressing the needs and interests of our region for 48 years. The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian.

Having a Mary Spirit Joanna Weaver 2008-05-20 "Lord, Whatever It Takes, Make Me Like You!" You long to serve God with grace and strength, to reflect Christ in every word and action. Yet you find yourself continually struggling to bring that vision to life in your daily walk. At our very core, every one of us is a "twisted sister" within whom the flesh and spirit battle constantly for control. We are afflicted with spiritual schizophrenia, the disconnect between our "good girl" desire to put Jesus first and our "bad girl" realities that crowd our thoughts and push him out of the way. In this life-changing book, Joanna Weaver, author of the perennial bestseller, Having a Mary Heart in a Martha World, directs your gaze past your own shortcomings to the God who stands ready, willing, and able to make a new woman out of you. She equips you with biblical insights and practical tools to partner with Christ, inviting him into the hidden places of your soul and giving him full permission to redeem and renovate. Drawing on the stories of biblical Marys and others whose experience with God transformed their lives, Joanna shows how you can find the hope, healing, wholeness, and joy your heart longs for. Having a Mary Spirit will launch you toward lasting personal transformation—soul-deep change that results in a complete makeover, from the inside out. **Includes a 12-week Bible study for both individual reflection and group discussion**

New York Magazine 1980-06-30 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. Small Steps Peg Kehret 1996-01-01 Peg Kehret was stricken with polio when she was twelve years old. At first paralyzed and terrified, she fought her way to recovery, aided by doctors and therapists, a loving family, supportive roommates fighting their own battles with the disease, and plenty of grit and luck. With the humor and suspense that are her trademarks, acclaimed author Peg Kehret vividly recreates the true story of her year of heartbreak and triumph.

New York 1996

American Pageant David M. Kennedy 2015-01-01 THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts on American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The 16th edition includes a major revision of Part Six (the period from 1945 to the present), reflecting recent scholarship and providing greater thematic coherence. The authors also condensed and consolidated material on the Wilson presidency and World War I (formerly Chapters 29 and 30) into a new single chapter. A new feature, "Contending Voices," offers paired quotes from original historical sources, accompanied by questions that prompt students to think about conflicting perspectives on controversial subjects. Additional pedagogical aids make THE AMERICAN PAGEANT accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present additional primary sources, scholarly debates, and key historical figures for analysis. Available in the following options: THE AMERICAN PAGEANT, Sixteenth Edition (Chapters 1?41); Volume 1: To 1877 (Chapters 1?22); Volume 2: Since 1865 (Chapters 22?41). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
