The Moon Dragon (The Secrets of Droon #26) Tony Abbott 2016-02-23 A hidden door. A magical staircase. Discover the world of Droon! There's no place like home! Eric and his friends have finally restored the Rainbow Stairs, but that was the easy part. Now Gethwing is loose in the Upper World, and the Moon Dragon is causing big trouble. Eric, Julie, and Neal have to protect their town, but they're up against mysterious creatures, strangely-behaving parents, and powerful magic. Can the kids stop Gethwing before he destroys the Upper World -- for good?

The Steps We Took Joe McQ 2015-01-01 The words of this book's title are said aloud every day by thousands of people meeting together to help each other recover from addiction.s the addictions may be to alcohol or cocaine, gambling or food, violence or sex, but the path to recovery is the same. The exciting thing about the Twelve Steps is that they teach us how to live. Once we know the design of living and the principles of living a successful life, we find that we not only get over the problems we see, but we avoid many other problems we would have had. To me, the miracle is that all this was boiled down into twelve simple Steps that anybody can apply. This is a book of plain-spoken wisdom for people with addictions and people who love them. Joe McQ has been a student of the Twelve Steps for more than three decades. He, like tens of thousands of others, lives them every day, one day at a time. In The Steps We Took, Joe takes us through them, one Step at a time, and helps us understand how they work--and how they can change our lives. A Woman's Way through the Twelve Steps Stephanie S Covington 1994-09-27 Geared specifically to women, this book brings a feminine perspective to the Twelve Step program, searching out the healing messages beneath the male-oriented words. Recovery is not a man's world, and yet to a woman it can sometimes seem that way. Geared specifically to that woman, this book brings a feminine perspective to the Twelve Step program, searching out the healing messages beneath the male-oriented words. Based on an open exploration and a flexible interpretation of the Twelve Steps, this new perspective takes into account the psychological development of women as it relates to addiction and recovery, as well as the social and cultural factors that affect women in particular.Acknowledging that recovery raises special issues for women--from questions about sexuality, relationships, and everyday life to anxieties about speaking up at mixed-gender meetings--A Woman's Way through the Twelve Steps focuses directly on the feminine experience of addiction and healing. The author explores the Twelve Steps one by one, reiterating each in its traditional language, then explaining and illustrating it in a way that highlights a woman's experience--empowering the reader to take ownership of her own recovery process as well as her growth as a woman.

Voices of Recovery SAA Fellowship 2019-02-03 Voices of Recovery is the response to requests from SAA members for a meditation book written and produced by the fellowship. This book is not the work of a single person. Numerous individuals have donated their time and talents to writing, reading, selecting, and editing meditations. Each meditation is a reflection of the individual member's own experience, strength, and hope in their own recovery process. The meditations may be read daily based on the date, by topic using the index, or by any other way the reader or group desires.

Creating Love John Bradshaw 2013-04-24 "Why are so many of us at times completely baffled by a relationship? How can we think we know someone so well and admit in the end that we hardly knew that person at all? Why do many people who work diligently and strenuously to gain wholeness and balance still feel so frustrated about having a fulfilling relationship? Why have so many people given up on love?"—from the Prologue John Bradshaw's bestselling books and compelling PBS series have touched and changed millions of lives. Now, in Creating Love, he offers us a new way to understand our most crucial relationships—with our romantic partners and spouses, with our parents and children, with friends and co-workers, with ourselves, and with God. Bradshaw's compassionate approach shows that many of us have been literally "entranced" by past experiences of counterfeit love, so we unknowingly re-create patterns that can never fulfill us. Here he provides both the insights and the precise tools we need to keep those destructive patterns from repeating in the present. And then he shows how we can open ourselves to the soul-building work of real love—and create healthy, loving relationships where we can be fully ourselves in every part of our lives.

Addict In The Family Beverly Conyers 2009-06-03 Helps families who have a loved one suffering from an addiction learn important lessons on loving, detachment, intervention, and self-care. Witnessing the addiction of a family member or loved one is a heart-rending experience. But hope can prevail, as shown in this compelling revised and updated book. In Addict in the Family, the gripping stories of fathers, mothers, sons, and daughters of addicts offer important lessons on loving, detachment, intervention, and self care. The Recovery Book Al J. Mooney 2014-09-09 "A classic. Read it. Use it. It can help guide you step by step into the bright light of the world of recovery." —from the Foreword by Harry Haroutunian, M.D., Physician Director, Betty Ford Center "The Recovery Book is the Bible of recovery. Everything you need to know you will find in here." —Neil Scott, host, Recovery Coast to Coast radio Hope, support, and a clear road map for people with drug or alcohol addiction. Announcing a completely revised and updated second edition of The Recovery Book, the Bible of addiction recovery. The Recovery Book provides a direct and easy-to-follow road map to every step in the recovery process, from the momentous decision to quit to the emotional, physical, and spiritual issues that arise along the way. Its comprehensive and effective advice speaks to people with addiction, their loved ones, and addiction professionals who need a proven, trusted resource and a supportive voice. The new edition of The Recovery Book features the revolutionary Recovery Zone System, which divides a life in recovery into three chronological zones and provides guidance on exactly what to do in each zone. First is the Red Zone, where the reader is encouraged to stop everything, activate their recovery and save their life. Next is the Yellow Zone, where the reader can begin to rebuild a life that was torn apart by addiction. Finally, the reader reaches the Green Zone, where he can enjoy a life a recovery and help others. Readers also learn how to use the Recovery Zone ReCheck, a simple, yet very effective relapse prevention tool. The Recovery Zone System works hand-in-hand with the 12-step philosophy and all other recovery methods. In addition, The Recovery Book covers new knowledge about addiction mechanisms and neuroplasticity, explaining how alcohol and drugs alter the brain. The authors outline a simple daily practice, called TAMERS, that helps people to use those same processes to "remold their brains" around recovery, eventually making sobriety a routine way of life. Written by Al J. Mooney, M.D., a recovery activist who speaks internationally on recovery, and health journalists Catherine Dold and Howard Eisenberg, The Recovery Book covers all the latest in addiction science and recovery methods. In 26 chapters and over 600 pages, The Recovery Book tackles issues such as: Committing to Recovery: Identifying and accepting the problem; deciding to get sober. Treatment Options: Extensive information on all current options, and how to choose a program. AA and other 12-Step Fellowships: How to get involved in a mutual-support group and what it can do for you. Addiction Science and Neuroplasticity: How alcohol and drugs alter pathways in the brain, and how to use the same processes to remold the brain around recovery. Relapse Prevention: The Recovery Zone ReCheck, a simple new technique to anticipate and avoid relapses. Rebuilding Your Life: How to handle relationships, socializing, work, education, and finances. Physical and Mental Health: Tips for getting healthy; how to handle common ailments. Pain Control: How to deal with pain in recovery; how to avoid a relapse if you need pain control for surgery or emergency care. Family and Friends: How you can help a loved one with addiction, and how you can help yourself. Raising Substance-Free Kids: How to "addiction-proof" your child. The Epidemic of Prescription Drugs: Now a bigger problem than illegal drugs. Dr. Al J. Mooney has been helping alcoholics and addicts get their lives back for more than thirty years, using both his professional and personal experiences at his family's treatment center, Willingway, and most recently through his work as medical director for The Healing Place of Wake County (NC), a homeless shelter. The Recovery Book will help millions gain control of their mind, their body, their life, and their happiness. www.TheRecoveryBook.com

Hope and Recovery Anonymous 2010-08-04 Hope and Recovery guides and supports the life-transforming move from self-defeating and destructive sexual behavior to healthy, affirming sexuality. A remarkable work, Hope and Recovery guides and supports the life-transforming move from self-defeating and destructive sexual behavior to healthy, affirming sexuality. This widely acclaimed contribution to addiction literature applies the Twelve Step Program of Alcoholics Anonymous to the complex problem of sex addiction.

Codependents' Guide to the Twelve Steps Melody Beattie 1992-04-09 Provides a detailed explanation of the Twelve-Step program designed by Alcoholics Anonymous, accompanied by advice on how to apply the program to codependent issues and cross-addiction

A Gentle Path Through the Twelve Steps Patrick Carnes 1993

Trauma and the 12 Steps, Revised and Expanded Jamie Marich 2020-07-07 An inclusive, research-based guide to working the 12 steps: a trauma-informed approach for clinicians, sponsors, and those in recovery. Step 1: You admit that you're powerless over your addiction. Now what? 12-step programs like Alcoholics Anonymous (AA) and Narcotics Anonymous (NA) have helped countless people on the path to recovery. But many still feel that 12-step programs aren't for them: that the spiritual emphasis is too narrow, the modality too old-school, the setting too triggering, or the space too exclusive. Some struggle with an addict label that can eclipse the histories, traumas, and experiences that feed into addiction, or dismisses the effects of adverse experiences like trauma in the first place. Advances in addiction medicine, trauma, neuropsychiatry, social theory, and overall strides in inclusivity need to be integrated into modern-day 12-step programs to reflect the latest research and what it means to live with an addiction today. Dr. Jamie Marich, an addiction and trauma clinician in recovery herself, builds necessary bridges between the 12-step's core foundations and up-to-date developments in trauma-informed care. Foregrounding the intersections of addiction, trauma, identity, and systems of oppression, Marich's approach treats the whole person--not just the addiction--to foster healing, transformation, and growth. Written for clinicians, therapists, sponsors, and those in recovery, Marich provides an extensive toolkit of trauma-informed skills that:

- Explains how trauma impacts addiction, recovery, and relapse
- Celebrates communities who may feel excluded from the program, like atheists, agnostics, and LGBTQ+ folks
- Welcomes outside help from the fields of trauma, dissociation, mindfulness, and addiction research
- Explains the differences between being trauma-informed and trauma-sensitive; and
- Discusses spiritual abuse as a legitimate form of trauma that can profoundly impede spirituality-based approaches to healing.

Summary of Patrick Carnes's A Gentle Path through the Twelve Steps Everest Media 2022-07-25T22:59:00Z Please note: This is a companion version & not the original book.

Sample Book Insights: #1 The First Step is designed to give you what you need to know for your journey. It helps you realize that you have a story, and that story is not hopeless

or unchangeable. You have the opportunity to transform. #2 The First Step requires an admission of powerlessness over your living in the extremes. You must document both powerlessness and unmanageability in your life. This is the beginning of understanding the story of your illness. #3 The cost of addiction is loss of faith in your abilities. You can reprogram yourself with positive, healthy messages. Select from the list the affirmations that have meaning for you. Add some of your own. Tape the list on your mirror and repeat them while you are shaving or putting on your makeup. #4 Addiction is like living in a fun house. The insanity and unmanageability of addiction and codependency look normal to those who can see themselves only through the distorted lens of dysfunctional behavior and its consequences.

A Gentle Path Through the Twelve Principles Patrick Carnes 2012-05-31 A Gentle Path through the Twelve Principles

Drop the Rock--The Ripple Effect Fred H. 2016-05-24 Drop the Rock—The Ripple Effect provides multiple perspectives from people successfully working a Twelve Step Program, showing Step 10 as a key to a sober life free of fear and resentment and filled with serenity and gratitude. When Drop the Rock: Removing Character Defects was first published in 1999, it quickly became the standard resource for working Steps 6 and 7, two of the most challenging of the Twelve Steps for many people in recovery. Learning what it means to fully surrender character defects frees you to make amends with Steps 8 and 9, realize the Big Book's "Promises," and move on to Step 10. In this new follow-up resource, Fred H. explores what he calls "the ripple effect" that can be created by using Step 10 to practice Steps 6 and 7 every day and avoid picking up "the rock" again. Drawing on his years of lecturing on the Big Book of Alcoholics Anonymous and Twelve Steps and Twelve Traditions, he reveals Step 10 as the natural culmination of working the previous Steps. providing a crash course on renewing your recovery program through the daily practice of Twelve Step principles. Like its predecessor, Drop the Rock—The Ripple Effect provides multiple perspectives from people successfully working a Twelve Step Program, showing Step 10 as a key to a sober life free of fear and resentment and filled with serenity and gratitude. Fred H. has worked in the field of addiction and recovery for over three decades and is the director of the retreat center for a leading addiction treatment program. He is a popular international speaker on the Big Book and the principles of the Twelve Steps.

Drop the Rock Bill P. 2009-06-03 A practical guide to letting go of the character defects that get in the way of true and joyful recovery. Resentment. Fear. Self-Pity. Intolerance. Anger. As Bill P. explains, these are the "rocks" that can sink recovery- or at the least, block further progress. Based on the principles behind Steps Six and Seven, Drop the Rock combines personal stories, practical advice, and powerful insights to help readers move forward in recovery. The second edition features additional stories and a reference section. In the Shadows of the Net Patrick J Carnes 2009-07-30 The much-anticipated second edition of the breakthrough book about recovering from online sexual addiction. As the Internet becomes a more powerful, imposing force in our lives, indeed becoming difficult to avoid, the potential for related problems also increases. This includes troubles of a sexual nature. When accessing porn no longer requires even a trip to the store, when we can view and participate in sexual activities anonymously, when younger and younger children are being exposed to sex online, when virtual interactions take over, limiting and even destroying real-time relationships, we are in crisis. Compulsive online sexual behavior is a real and growing problem. Yet the situation is not without hope. For those who are seeing signs of significant online problems in themselves or a loved one, this updated second edition of In the Shadows of the Net provides answers, understanding, and tools for recovery. With the latest statistics, discussion of recent technologies and devices, and new thinking on developing a healthy relationship with the Internet and avoiding relapse, this book offers authoritative, professional advice for achieving lasting, healthy change and healing.

Don't Call It Love Patrick Carnes 2013-12-18 "Dr. Patrick Carnes is a creative, pioneering, and courageous human being. His books are changing the lives of thousands!" "I lost three marriages, all because of affairs." "I became suicidal because of multiple intense involvements." "I spent money on sex when I needed it for children's clothes." "I lost promotion opportunities and a special scholarship because my co-workers found out about my sex life." Every day they face the possibility of destruction, risking their families, fiances, jobs, dignity, and health. They come from all walks of life: ministers, physicians, therapists, politicians, executives, blue-collar workers. Most were abused as children--sexually, physically or emotionally--and saw addictive behavior in their early lives. Most grapple with other addictions as well, but their fiercest battle is with the most astounding prevalent "secret" disorder in America: sexual addiction. Here is a ground-breaking work by the nation's leading professional expert on sexual addiction, based on the candid testimony of more than one thousand recovering sexual addicts in the first major scientific study of the disorder. This essential volume includes not only the revealing findings of Dr. Carne's research with recovering addicts but also advice from the addicts and co-addicts themselves as they work to overcome their compulsive behavior. Positive, hopeful, and practical, Don't Call It Love is a landmark book that helps us better understand all addictions, their causes, and the difficult path to recovery.

Recovery Start Kit Patrick Carnes 2006

A Gentle Path Through the Twelve Steps Patrick Carnes 1989 Audiotape workshop will help you to understand your own story of the past and begin to plan a lifetime of sobriety. Beyond Belief Joe C 2013-01 Rebellion Dogs Publishing is proud to announce a 21st century daily reflection book. Beyond Belief's 2014 second printing is now available with a Foreword by Ernie Kurtz and updated links and End Notes. What are "agnostic musings"? It is not news to anyone that the war of worldviews makes for sporting debate; does an intervening God grant sobriety, serenity, wisdom and courage or is conscious contact a delusion? Sorry, while we might be as amused as anyone with this question, Beyond Belief: Agnostic Musings for 12 Step Life doesn't enter this debate. Hate the game; don't hate the players. A good idea is a good idea. Why dismiss valid experience because of the beliefs that someone harbors? Beliefs aren't facts. Beyond our belief is where life is happening: chances have to be taken; processes have to be evaluated; life has to be lived. Atheists, humanists, skeptics and agnostics will feel included in these daily reflections. Believers won't feel mocked or belittled. Everyone in recovery is included. No one needs to adopt the beliefs of someone else nor deny our own beliefs to get clean and sober. Believing and belonging are not synonymous. We are well into Century 21. Anyone should feel free to doubt or believe with impunity. Everyone's experience is a valid currency. The 12 Step community has no experts. Rebellion Dogs Publishing neither canonizes nor vilifies 12 Step culture. This book draws on philosophy, psychology, entertainment, art, spiritual musings, skeptical inquiry and the uncanny wisdom of the rooms. Professional and 12&12 Member reviews: Melissa D., Clinical Psychologist, California says, "I have never seen a daily devotional book written for agnostics. I found the readings to be extremely thought provoking. I wonder sometimes since there is such talk about God at meetings, what kind of turn-off that must be for agnostics. I think this book will be very helpful to both the newcomer and the mature 12 Step member." Bob K, contributor to AAagnostica.org says, "I expected his book to be good. It's WAY, WAY better than good. The book is outstanding. Two decades of not being a 'daily reflections' kind of guy, are over. Now I have reflections worth reflecting over! Buy this book or you will suffer a horrible and painful death! Well, maybe not, but you'll be missing out on something very good." Michel D. says, "AA can, and must, adapt to changing circumstances and Bill Wilson was the first one to admit it. Unfortunately, members who have come after him are more zealous than our first members. We have seen this dogmatism in history before of course, especially in religion. This is a very slippery slope. I really like the fact that these reflections are for anyone who has an open mind. It does not cater to a specific group to the exclusion of others." Denis K. says, "Many thanks for this great book; my Monday night group and I are having some great discussions related to the daily musings both at the group and often during the week over coffee. All of us were quickly losing interest in the local meetings; Beyond Belief: Agnostic Musings for 12 Step Life gave all of us a much needed spark that has renewed our interest in the fellowship." Dr. Amy, MSW, PhD, adds, "One criticism of the 12 Step movement of course is that its dogma can be limiting-Beyond Belief seems to have addressed this. The quotes are cogent, the organization superb and the contributors are diverse." The book includes an index of over 120 topics, extensive notes and a bibliography.

A Gentle Path Through the Twelve Steps Patrick Carnes 1989

Sex Addicts Anonymous SAA Fellowship 2017-05-03 The basic text of the SAA fellowship, Sex Addicts Anonymous explains sex addiction from the SAA perspective and demonstrates, through examples, how sex addiction worsens over time. It describes the personal powerlessness and unmanageability of sex addiction, and the damage to personal relationships, livelihood, and physical health that is often caused by addictive behavior. Sex Addicts Anonymous conveys a vision of hope for the addict through a recovery program based on the time-honored Twelve Steps that were initially proposed for alcoholics. A separate section of the book offers a variety of personal stories from individual members of the fellowship to illustrate the challenges and the hope of recovery.

Sexual Anorexia Patrick J Carnes 2009-08-07 A first-time examination of sexual anorexia, an extreme fear of sexual intimacy and obsessive avoidance of sex, by the acknowledged leader in the treatment of compulsive sexual behavior and recovery. A first-time examination of sexual anorexia, an extreme fear of sexual intimacy and obsessive avoidance of sex, by the acknowledged leader in the treatment of compulsive sexual behavior and recovery. Author Dr. Patrick Carnes begins by defining sexual anorexia and demonstrating how it and its parallel disorder, sexual addiction and compulsivity, often arise from a background of childhood sexual trauma, neglect, and other forms of abuse, Carnes explores the numerous dimensions of sexual health, examining key issues which must be addressed and resolved for recovery to proceed. Utilizing extensive research and elucidating case studies, Carnes develops concrete tasks and plans for restoring nurturing and sensuality, building fulfilling relationships, exploring intimacy, and creating healthy sexuality. Woven throughout the book are stories of recovery which illustrate sexual healing principles, model new behavior, and support motivation for change. Sexual Anorexia enables those suffering from this disorder to recognize that sex need not be a furtive enemy to be fought and defeated but, instead, a deeply sensual, passionate, fulfilling, and spiritual experience that all human beings are innately entitled to.

Facing the Shadow Patrick Carnes 2015-03-31 The groundbreaking book introducing Dr. Patrick Carnes' thirty-task model for treating sexual addiction is now UPDATED and REVISED.

Betrayal Bond, Revised Patrick J. Carnes, PhD 2018-08-17 Some really great books just keep getting better! For seventeen years The Betrayal Bond has been the primary source for therapists and patients wrestling the effects of emotional pain and harm caused by exploitation from someone they trusted. Divorce, litigation, incest and child abuse, domestic violence, kidnapping, professional exploitation and religious abuse are all areas of trauma bonding. These are situations and relationships of incredible intensity or importance lend themselves more easily to an exploitation of trust or power. In The Betrayal Bond, Dr. Carnes presents an in-depth study of these relationships; why they form, who is most susceptible, and how they become so powerful. Dr. Carnes also gives a clear explanation of the bond that compels people to tolerate the intolerable, and for the first time, maps out the brain connection that makes being with hurtful people comparable to 'a drug of choice.' Most importantly, Carnes provides practical steps to identify compulsive attachment patterns and ultimately to change or end them for good. This new edition includes: New science for understanding how our brains can make a prison of bad relationships New assessments and insights based on 50,000 research participants A new section utilizing the latest findings in attachment research and narrative therapy to concretely rewrite and rescript bad experiences A redefinition of the factors contributing to addictive relationships

A Gentle Path Through the Twelve Steps Patrick Carnes 2012-04-13 A Gentle Path through the Twelve Steps Updated and Expanded

A Gentle Path Through the 12 Steps and 12 Principles Bundle Patrick J Carnes 2012-07-17 Two book bundle! Essential Twelve Step Recovery Guides from renown author, Patrick Carnes, Ph.D. Two book bundle! Essential Twelve Step Recovery Guides from renown author, Patrick Carnes, Ph.D. A Gentle Path through the Twelve Steps UPDATED and EXPANDED It was out of his reverence and respect for the wisdom and therapeutic value of the Twelve Steps that Carnes wrote A Gentle Path through the 12 Steps, now a recovery classic and self-help staple for anyone looking for guidance for life's hardest challenges. Hundreds of thousands of people have found in this book a personal portal to the wisdom of the Twelve Steps. With updated and expanded concepts and a focus on the spiritual principles that lead to lifelong growth and fulfillment, Carnes' new edition invites a fresh generation of readers to the healing and rewarding experience of Twelve Step recovery.

Contrary to Love Patrick J Carnes 2009-09-29 This resource identifies the stages and progression of sex addiction, including assessment, intervention, and treatment methods.

This resource identifies the stages and progression of sex addiction, including assessment, intervention, and treatment methods. It also covers family structure, bonding, boundaries, and recovery topics.

Out of the Shadows Patrick J Carnes 2009-06-21 Unhooked from regular routines and healthy relationships by the coronavirus pandemic or other traumas, even our most basic human impulses and inputs can become addictive and destructive. An essential resource for those struggling with sexual addiction and compulsions, and those who love them. With the revised information and up-to-date research, Out of the Shadows is the premier work on sex addiction, written by a pioneer in its treatment. Sex is at the core of our identities. And when it becomes a compulsion, it can unravel our lives. Out of the Shadows is the premier work on this disorder, written by a pioneer in its treatment. Revised and updated to include the latest research--and to address the exploding phenomenon of cybersex addiction--this third edition identifies the danger signs, explains the dynamics, and describes the consequences of sexual addiction and dependency. With practical wisdom and spiritual clarity, it points the way out of the shadows of sexual compulsion and back into the light and fullness of life.

Mindfulness and the 12 Steps Thérèse Jacobs-Stewart 2010-05-20 A fresh resource to help those in recovery from addiction find their own spiritual path through the Buddhist practice of mindfulness. For those of us in recovery, Mindfulness and the 12 Steps offers a fresh approach to developing our own spiritual path through the Buddhist practice of mindfulness, or bringing one's awareness to focus on the present moment. We can revisit each of the Twelve Steps, exploring the interplay of ideas between mindfulness and Twelve Step traditions--from the idea of living "one day at a time" to the emphasis on prayer and meditation--and learn to incorporate mindfulness into our path toward lifelong sobriety. Through reflections, questions for inquiry, and stories from Buddhist teachers and others who practice mindfulness in recovery, Mindfulness and the 12 Steps will help us awaken new thinking and insights into what it means to live fully--body, mind, and spirit--in the here and now.

Answers in the Heart Anonymous 2011-02-17 Daily reflections for those searching for lasting recovery from sex addiction. The supportive and motivational thoughts in this bestselling collection of daily readings promise to spark the healing, hope, and personal growth anyone addicted to sex needs to embrace recovery. Part of the Hazelden Meditation series, each thought of the day inspires the strength, courage, and mindfulness readers need to overcome patterns of sexual compulsion. Featuring 366 affirmations that complement any Twelve Step program for love addiction or an unhealthy dependence on sexual behavior, this book will become the touchstone to your transformation.

Ask a Manager Alison Green 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

Open Hearts Patrick Carnes 1999-01-01 Hopeful and helpful guidance on transforming one's most intimate bonds

Facing Addiction Patrick Carnes 2011 Applies Dr. Patrick Carnes' research-based thirty-task model to treating addiction to alcohol and drugs for a lasting long-term recovery.

Molecular Neurobiology of Addiction Recovery Kenneth Blum 2013-05-27 Humans are biologically programmed to seek out pleasurable experiences. These experiences are processed in the mesolimbic system, also referred to as the "reward center" of the brain, where a number of chemical messengers work in concert to provide a net release of dopamine in the Nucleus Accumbens. In some genetically predisposed individuals, addiction occurs when the mechanisms of the mesolimbic system are disrupted by the use of various drugs of abuse. Since Alcoholics Anonymous was founded in 1935, its 12 step program of spiritual and character development has helped countless alcoholics and drug addicts curb their self-destructive behaviors. However, the program was developed at a time when comparatively little was known about the function of the brain and it has never been studied scientifically. This is the first book to take a systematic look at the molecular neurobiology associated with each of the 12 steps and to review the significant body of addiction research literature that is pertinent to the program.?

Twelve Steps to a Compassionate Life Karen Armstrong 2010-12-28 One of the most original thinkers on the role of religion in the modern world—author of such acclaimed books as A History of God, Islam, and Buddha—now gives us an impassioned and practical book that can help us make the world a more compassionate place. Karen Armstrong believes that while compassion is intrinsic in all human beings, each of us needs to work diligently to cultivate and expand our capacity for compassion. Here, in this straightforward, thoughtful, and thought-provoking book, she sets out a program that can lead us toward a more compassionate life. The twelve steps Armstrong suggests begin with “Learn About Compassion” and close with “Love Your Enemies.” In between, she takes up “compassion for yourself,” mindfulness, suffering, sympathetic joy, the limits of our knowledge of others, and “concern for everybody.” She suggests concrete ways of enhancing our compassion and putting it into action in our everyday lives, and provides, as well, a reading list to encourage us to “hear one another's narratives.” Throughout, Armstrong makes clear that a compassionate life is not a matter of only heart or mind but a deliberate and often life-altering commingling of the two.

The Twelve Steps for Everyone Jerry Hirschfield 2010-12-21 This compassionate, insightful book is an adaptation of the Twelve Steps of Alcoholics Anonymous for anyone seeking a practical path to spiritual and emotional freedom. This classic Twelve Step book has sold more than one half-million copies to date. A caring adaptation of the Twelve Steps of Alcoholics Anonymous for anyone seeking a practical path to spiritual and emotional freedom. This compassionate, insightful book is written in the language of the heart, and is used by both lay people and professionals.

Fourth Step Guide Journey Into Growth Daryl Kosloskie 2011-04-29 In this helpful guide, the authors lead us through exercises that enable us to examine our behaviors, thoughts, feelings and actions in preparation for the Fifth Step. In this helpful guide, the authors lead us through exercises that enable us to examine our behaviors, thoughts, feelings and actions in preparation for the Fifth Step.
