Hot Dog Bruce Kraig 2009-05-01 Char-grilled or boiled? Sauerkraut or chili? Mustard or ketchup? Vienna Beef or Sabrett? Only these questions could be raised about one of the world's favorite backyard, picnic, ballgame, and street foods—the hotdog. Though nearly two billion hot dogs are consumed by Americans annually in the month of July alone, there is absolutely no consensus on which is the right way to serve up a hotdog. In Hot Dog, well known food historian Bruce Kraig recounts the history of this popular “tube steak” from the origin of the sausage 20,000 years ago to its central place in American culture today. Kraig discusses the many brands, including Hebrew National, Pearl, Sabrett, and Vienna Beef, and the regional variations that go along with them—like kosher-style New York dogs loaded with mustard and sauerkraut, New England dogs with Boston Baked Beans, and fully-loaded Chicago style hotdogs, complete with mustard, onion, relish, sport peppers, a dill pickle spear, a dash of celery salt, and tomato slices (but never, ever ketchup). Hot Dog covers the other international sausages, like bologna and bockwurst, as well, and explores some of the apocryphal tales of the hotdog in history—like the origin of its name and whether Queen Elizabeth II was truly served hotdogs on a visit to the White House. Packed with tasty facts and recipes, Hot Dog reveals the rich history and passionate opinions about this seemingly ordinary food.

**The Photographer's Cookbook** Lisa Hostetler 2016-06-06 In the late 1970s, the George Eastman House approached a group of photographers to ask for their favorite recipes and food-related photographs to go with them, in pursuit of publishing a cookbook. Playing off George Eastman's own famous recipe for lemon meringue pie, as well as former director Beaumont Newhall's love of food, the cookbook grew from the idea that photographers' talent in the darkroom must also translate into special skills in the kitchen. The recipes do not disappoint, with Robert Adams's Big Sugar Cookies, Ansel Adams's Poached Eggs in Beer, Richard Avedon's Royal Pot Roast, Imogen Cunningham's Borscht, William Eggleston's Cheese Grits Casserole, Stephen Shore's Key Lime Pie Supreme, and Ed Ruscha's Cactus Omelet, to name a few. The book was never published, and the materials have remained in George Eastman House's collection ever since. Now, forty years later, this extensive and distinctive archive of untouched recipes and photographs are published in *The Photographer's Cookbook* for the first time. The book provides a time capsule of contemporary photographers of the 1970s--many before they made a name for themselves--as well as a fascinating look at how they depicted food, family, and home, taking readers behind the camera and into the hearts, and stomachs of some of photography's most important practitioners.

**Under Pressure** Thomas Keller 2016-10-25 A revolution in cooking *Sous vide* is the culinary innovation that has everyone in the food world talking. In this revolutionary new cookbook, Thomas Keller, America's most respected chef, explains why this foolproof technique, which involves cooking at precise temperatures below simmering, yields results that other culinary methods cannot. For the first time, one can achieve short ribs that are meltingly tender even when cooked medium rare. Fish, which has a small window of doneness, is easier to finesse, and shellfish stays succulent no matter how long it's been on the stove. Fruit and vegetables benefit, too, retaining color and flavor while undergoing remarkable transformations in texture. The secret to *sous vide* is in discovering the precise amount of heat required to achieve the most sublime results. Through years of trial and error, Keller and his chefs de cuisine have blazed the trail to perfection—and they show the way in this collection of never-before-published recipes from his landmark restaurants—*The French Laundry* in Napa Valley and *per se* in New York. With an introduction by the eminent food-science writer Harold McGee, and artful photography by Deborah Jones, who photographed Keller's best-selling *The French Laundry Cookbook*, this book will be a must for every culinary professional and anyone who wants to up the ante and experience food at the highest level.

**Ploughman's Lunch and the Miser's Feast** Brian Yarvin 2012-02-14 Celebrity television chefs like Jamie Oliver and culinary stars like Hugh Fearnley-Whittingstall have made Americans newly aware of the great potential in British cooking. But the new British food revolution is not limited to fine restaurants and television. Within Britain, pub and country inn chefs, newspaper and magazine food writers, and everyday home

cooks are taking a renewed interest in their own traditional cuisine, at long last approaching it with more pride than with prejudice. In *The Ploughman's Lunch and the Miser's Feast*, the American cookbook author, travel writer and professional photographer Brian Yarvin brings these newly rediscovered pleasures to the attention of home cooks on this side of the Atlantic. In 100 recipes, 65 color photos, and dozens of lively sidebars, Yarvin reveals what he has discovered in his numerous walking and driving trips across the length and breadth of Great Britain. His recipes emphasize traditional and down-home dishes as perfected and updated by the best cooks in Britain. They include lots of pub fare, like Fish and Chips, Shepherd's Pie, Ploughman's Lunch, and a host of savory cakes and pasties. There are festive and substantial main courses like Howtowdie, Poached Salmon with White Sauce, and, of course, a splendidly done Beef Wellington. The hard-working Brits love big breakfasts, and there is a chapter devoted to those, while another chapter celebrates the sandwiches, salads, and snacks that are served at tea time. Curry shops have been ubiquitous for so long that Indian food by now is properly British, and Yarvin devotes another chapter to dishes such as Shrimp Biryani and Chicken Korma. A big chapter, too, shows us how to make the best-loved British sweets, from the humbly named Plum Pudding and Mincemeat Cake to the amusingly monikered Fast Rascals, Kentish Huffkins, and Welsh Dripping Cake.
