The boxset contains over 1500 pages of non-stop action in this paranormal romance collection. Books in this bundle: Book One: On the Edge of Humanity Dragged into the principal's office at my latest loathsome school, I meet the darkly appealing Webb London. My world as I know it implodes. Part of a secret Navy SEAL team of natural-born vampires, Webb reveals an evil cartel has abducted my twin brother Sam to claim an agent in his blood. But what flows through his veins runs through mine as well. A dormant gene, if activated, is all it will take to transform me into a vampire. Now, that could be my only hope to save Sam. Time is running out, and the stakes couldn't be higher. His life, or my humanity? One way or another, nothing will ever be the same. Book Two: On the Edge of Eternity A human boy wants to date me. Another wants to kill me. And a Navy SEAL vampire keeps sending me mixed messages. Yet as I adjust to my novel powers and battle to restrain my vampiric urges, an enemy is closing in. Book Three: On the Edge of Destiny I'm days away from standing trial for the death of my nemesis. My next home could be a cold dark cell in a vampire prison, and my DNA is the secret ingredient my enemy needs to build an army of vampires. But nothing can faze me. I have an expert lawyer on my case. The facts are indisputable. My powers are lethal and stronger to combat my enemy, and my relationship with the smoking hot Vampire Navy SEAL, Webb London, is thriving. Until the nightmares begin. Book Four: On the Edge of Misery My dreams warned me of the danger coming for Webb. There's a chance they could lead me to him. If I only could fall into a restful sleep that now eludes me. The stress is taking its toll on my body and powers until the phone rings. They say they'll trade my life for his. Warn me that I must come alone. With the watchful eyes of my father and brother, it will be next to impossible to escape. Still, I will stop at nothing to save the man I love. Book Five: On the Edge of Infinity War is coming. I've dreamed of it. I feel it deep down in my bones. It's pulsing with a sinister strength deadlier than anything I've faced before. It's time to take a stand. To rise up against my adversaries who want me dead or enslaved. I want a family, an ordinary life, and that fable happy ending with my one true love, Webb. Now, I can only pray we both make it out alive. Praise for the series: "A FANTASTIC series that I was sucked into and binge read the five-book collection!!! If they can just stay fit they'll be going pro before they know it. Gorgeous and ripped, they fill the house with their massive bodies and booming laughs. I think they must be players, both on and off the field, and I hate them for stealing my father's love. But first impressions can sometimes be very wrong. They treat me like I'm a queen and look at me with eyes that tell me they want to fill me with their own version of team spirit. I can't imagine why one sane man would want a knocked up cheerleader with so much baggage, let alone eleven. But the longer we spend together, the more I fall for my foster brother dream team. They want to stay together to make a home filled with love for me and my child. Eleven men want to be my second chance.Except people like me don't deserve second chances and if they can't see that, I'm going to have to make them.

Massive Pissed Love Richard Hell 2015-10-01 Richard Hell may best be known as a punk icon, a founding member of seminal bands Television, the Heartbreakers, and The Voidoids, but for decades he’s been a prominent voice in American letters. Through his novels Go Now and Godlike, and his critically acclaimed autobiography, I Dreamed I Was a Very Clean Tramp, Hell has proven himself as a talented and insightful writer across many genres, in many forms. But one might argue that Richard’s true genius lies in shorter form as a writer on culture. “Love comes in spurts,” Hell once sang, and that could well describe the intensity of his penetrating and wickedly droll criticism. Massive Pissed Love is a collection of Hell’s ruminations on art, literature, and music, among other things, that’s like a candy box of reading treats, a bag of shiny marbles, a cabinet of mementos and uncanny fetishes. However one thinks of it, it’s a joy to read from start to finish and a deeply necessary addition to the oeuvre of one of the sharpest minds and sensibilities at work today.

Includes: Montana Fire Montana Ice Montana Heat Montana Wild Montana Mine The Small Town Romance Series...where the men aren’t just hot, they set things on fire! Montana Fire- Jane West’s life is perfectly average. Perfectly boring. Until Ty Strickland—Grade-A, smoking hot firefighter—moves in down the street. Then things get a little exciting, and not in the good, panty-melting sort of way. Not only does someone want her dead (seriously), she has to wrangle her out-of-control desires where the new neighbor is concerned, and convince her boss at the small town’s only adult toy store—who meddles in Jane’s love life—to leave the new hose-wielding hottie off her matchmaking radar. But it’s not all chaos and pancakes. There’s Ty. And his smoking hot body. Smoking hot kisses. He’s burning the walls around her heart to nothing but ash. And she just might be falling in love...if she can stay alive long enough. -- Montana Ice- Veronica Miller is a plumber on a mission—buy out her dad and the family business is finally hers. One big, handsome problem stands in her way. And it’s not a clogged toilet. Jack Reid is the boy she crushed on in high school. Ten years ago, he broke her heart and skipped town. But now he’s back, and he’s definitely no longer a boy. He’s all man—and he’d really like for Veronica to check out his pipe. Forced to being roommates, Jack and Veronica have to work through a decade of baggage, disappointment, wanting and unrequited lust. Even though Veronica’s heart hasn’t yet forgiven Jack, they’ll need more than a pillow berm down the middle of the bed to keep them apart. -- Montana Heat- Emma Hardy has wondered why Sam Carter rocked her world (and her libido) with an incredible kiss then calmly walked away, quit his job, and disappeared for two months. Not exactly the hot kiss follow-up she’d been hoping for. But Sam was busy making plans. Plans that include the two of them and picking up where they left off. This time, nothing will stop them. -- Montana Wild- Violet Miller is a teacher savoring her summer break until she’s been called in as emergency reinforcements—of the dating kind. She volunteers to help an old flame by pretending to be his girlfriend. In Alaska. At a family reunion. His mother wants grandchildren and sees a crazy Alaskan woman as a candidate for daughter-in-law. Mike needs Violet by his side to deflect the lady’s advances. A week in Alaska as boyfriend and girlfriend should be easy for them. They grew up together, even had a brief fling. What could possibly go wrong? -- Montana Mine- Daphne Lane leads an uncomplicated life as a travel journalist. After spending a week visiting her crazy Aunt Velma in Montana, she’s more than ready to escape to her next assignment. But Fate has other plans in the form of JT McCade, a sexy detective with a sensitive trigger finger. Pulling over a car for speeding should’ve been quick and easy for JT. Hand over a ticket and move on to his summer vacation. But Daphne was a force of nature and destroys his plans. When he finds himself on a road trip across the west with Daphne and three other women, he doesn’t know what hit him. Oh yeah, Daphne Lane in a vintage RV. As the eldest of five siblings, with an alcoholic father to care for, boat craftsman Pete Lacroux always does the right thing and has no time for a real relationship. When Jenna picks up a hard-bodied construction worker, jealousy ignites Pete's true feelings, and he's unable to ignore the desires for Jenna he never realized he had. But Pete's not the quiet guy he appears to be, and his life is anything but conducive to a relationship. But she does not look broken: she will fight for her future - as she sees it. In actual life not all happens like we would expect, and this is the lesson to learn. These are my first romance series, and it is full of all the things I have to say about us, women. How you should cherish your dignity, how you can attract a man, and so on. It is worth reading these series to realize that in our lives; it is better to be true to yourself, and everything will come together. If this is your man - he will stay with you, no matter what. Big Wild Love Jill Sherer Murray 2020-05-12 Jill Sherer Murray lived in a dead-end relationship into her forties before she finally let it go. She was like millions of women who struggle with whether to stay in a loveless marriage, a bad relationship, or give up on dating altogether, believing love isn't in the cards. You may be struggling with a similar decision yourself. Perhaps you're terrified of being single, and yet you don't truly feel you're living the life you want. With warmth and honesty, Murray shows you how letting go—of feeling stuck, afraid, and alone, and of believing what you've got is all you deserve—can free you from a life that isn't serving you. She knows this is true, because she did it herself—and ultimately attracted the love and life she wanted. Through her story, other women's stories, surprising facts and statistics, and helpful exercises, Big Wild Love will show you the way back to the self you've lost. It will put you on the path to change and teach you that, wherever you are, it's never too late to start anew and find the Big Wild Love you deserve.
