Ivy Style Patricia Mears 2012 "An in-depth study of Ivy style will be articulated this book, which will include essays by Patricia Mears, Dr. Peter McNeil, Dr. Christopher Breward, and Dr. Masafumi Monden. Dr. McNeil will analyze the style of the Duke of Windsor, arguably the most stylish man of the twentieth century, and the great impact his look had on Americans, especially as a young man in the 1920s. Dr. Breward will present a cross-cultural look at Ivy style as worn in the prestigious English universities of Oxford and Cambridge; he will also show how the look these young men cultivated would eventually be absorbed and re-interpreted in Hollywood films. Mr. Monden will write about the Ivy style craze that took hold in Japan from the mid-century to the present and its manifestation over the decades. Also included will be short excerpts by G. Bruce Boyer, a leading menswear writer and historian, and an interview with Richard Press by Christian Chensvold, founder of the Ivy Style blog. Mr. Boyer's 1985 publication, *Elegance*, contained chapters on madras, Harris Tweed, the camelhair polo coat, and other elements of Ivy style. The importance of this period publication is that it not only documents these fabrics and clothing items, but also captures the atmosphere of a time when Ivy style experienced a great resurgence in popularity. Mr. Chensvold is the founder and main contributor to the leading blog documenting menswear, particularly Ivy style. The main essay of the publication (by Patricia Mears) will present a historical overview of the Ivy look in the twentieth century. Not only will the issues of the style's enduring popularity and its role as a cutting edge influence be discussed, so too will the cultural and aspirational aspects of its creation"--

An American Style Ann Marguerite Tartsinis 2013 "In 1915 the American Museum of Natural History (AMNH) embarked upon a mission to energize the American textile industry. The movement, sparked by the reappropriation of the French textile industries for the war effort, was at first provincial in its focus. Drawing upon the notion that Euro-American culture could lay claim to indigenous objects of the Americas, AMNH anthropology curators sought to innovate a distinctly "American" design idiom based on the museum's ethnographic collections. The central figures in this project were M. D. C. Crawford, research fellow at the AMNH and Women's Wear journalist, curator of anthropology Clark Wissler, assistant curator of anthropology Herbert Spinden, and curator of Peruvian art Charles Mead. Naturally, Crawford was a key liaison to manufacturers and designers, but many documents in the AMNH Archives suggest that Spinden, Wissler, and Mead were equally instrumental, in the museum's effort to promote good design. These men, coined the "Fashion Staff," presented lectures, published prescriptive manuals, and curated temporary exhibitions. Seeking a toehold in the world of fashion design and paralleling the United States' entry into World War I in 1917, the AMNH curators took steps to attract designers and manufacturers to the museum, including by supplementing the study room with a variety of specimens that ranged from fur garments from Siberia to Javanese textiles. In 1919 the AMNH mounted *The Exhibition of Industrial Art in Textiles and Clothing*, a comprehensive display of "indigenous" artifacts and modern design to promote the value of the museum to designers. The exhibition would signal the end of the museum's full engagement with the design industry but the use of the collections by designers would continue into the late 1920s"--

Styled Emily Henderson 2015 "The ultimate guide to thinking like a stylist, with 1,000 design ideas for creating the most beautiful, personal, and livable rooms, "-- Amazon.com.

The Men's Fashion Reader Peter McNeil 2009 The Men's Fashion Reader brings together key writings in the history, culture and identity of men's fashion. The readings provide a balanced range of important methodological approaches, primary research and significant case studies. The book is organized into thematic sections covering topics such as history, theory, subculture, iconic items of clothing, consumption and the media. Each section is introduced and concludes with an annotated guide to further reading. With exciting illustrations of men's dress from a range of historical periods, and including readings from key scholars and new writers across a wide range of fields, The Men's Fashion Reader is the essential introduction to the subject. Original.

How to Draw Women's Wear Irina V Ivanova 2019-12-09 "How to Draw Women's Wear" is a hands-on, actionable guide to fashion drawing for busy fashion professionals who want to develop a highly productive drawing process; for fashion students who are in the process of developing their drawing style; and for clothing

designers who want to make illustrations properly interpreted by all team members. The book focuses on drawing by hand (pencil and black marker), demonstrating methods and techniques of illustrating clothing and structural elements of design. Created for visual learners; the book contains virtually no text, only captions. The book includes a collection of fashion drawing templates for main women's wear figure types allowing you to focus on apparel drawing to illustrate clothing the way it is actually designed. Avoid mistakes in clothing design illustration; the book includes a special section with dos and don'ts of garment drawing. The book combines features of a reference book, a visual guide, tutorial, and template book. Figure templates, garment templates, terminological references, step-by-step drawing demos, sketching examples illustrating a progression of an idea from a sketch to completed illustration: all are parts of the same book. Irina V. Ivanova is a fashion designer by trade, a classically trained visual artist, and an experienced educator. "How to Draw Women's Wear" is the latest book in the Fashion Croquis book series. Basics Fashion Design 07: Menswear John Hopkins 2011-04-29 An introduction to menswear fashion that considers a range of social and historical contexts that have served to define and redefine menswear through the ages.

Each illustration will make you feel like a fashion designer, coloring the pages is also an effective and fun-filled way to relax and reduce stress.

Watercolor Fashion Illustration Francesco Lo Iacono 2021-11-09 Learn to paint outstanding fashion watercolors with expert guidance from a leading fashion illustrator. Watercolor is a wonderful medium for figure and fashion as it creates loose, impressionistic results that capture the essence of a look without getting too bogged down in the details. In this complete course, professional fashion illustrator Francesco Lo Iacono shows you how to master creating delicate, beautiful fashion illustrations. The book begins with the best tools and materials, from paints and brushes to pencils, paper and more. You'll then explore simple watercolor techniques such as washes, wet-on-wet, wet-on-dry, and using the white of the paper. Francesco then goes on to teach you about lighting and shading, which can have a dramatic effect on your work. And finally in the front section, you'll learn about colour, how to create palettes, how to mix colours and achieving a range of skin tones. Once you've covered these fundamentals, Francesco explores the key elements of illustrating fashion, with guidance on how to approach both male and female faces, a wide variety of hair types and styles, different male and female poses, and how to draw and paint garments, reflecting tailoring, drapery, volume, texture and patterns. Twenty step-by-step projects then take these building blocks and show you how to use them to create beautiful fashion watercolors, starting with easier subjects and building in complexity as your confidence grows. You'll begin by painting handbags and shoes without models before starting to introduce figures. The range of subjects included covers all angles, from full figures front on and in profile to close-up make-up and beauty illustrations. You'll also learn how to create dynamic compositions for editorial fashion illustration. Finally, Francesco covers the best ways to digitize and retouch your work, how to incorporate other media alongside your watercolors, how to work live at fashion events and how to take everything you've learned to develop your own personal style of fashion illustration. Francesco's clients include fashion brands Dior, Gucci, and Louis Vuitton – and with this book you'll have all the tools you need to become an A-list fashion illustrator too.

A Comprehensive Guide To Men's Flat Sketching David Paul 2019-09-23 In a comprehensive step-by-step format, this book will guide you through the basic steps of creating a Men's Croquis specifically made for drawing flat sketches. In addition, you will learn to draw the fundamental garments in Men's Fashion, including Basic T-Shirts, Dress Shirts, Jackets, Pants, Jeans and Shorts. "A Comprehensive Guide to Men's Flat Sketching" not only shows you how to sketch the garments, but also teaches the specific details within each garment, such as sleeves, collars, stitching, plackets, cuffs and other aspects of garment construction.

Essential Fashion Illustration: Details Maite Lafuente 2007-04-01 A comprehensive reference with techniques for drawing fashions. This book describes techniques for illustrating fashion details (referred to as flat or technical drawings). The details cover jackets, overcoats, trousers, skirts, shirts, blouses, dresses, knitted styles, accessories, foot wear, hats, bags, and sport shoes, with special attention to how clothing hangs, moves, and folds when being worn. Each chapter starts with an introduction, followed by images and explanatory captions for each illustration or series of illustrations. With a focus on shape and form, the book illustrates drawing with fine marker and hard pencil.

Fashion Design Sketchbook 4 Irina Ivanova 2019-02-03 What is in the sketchbook? Seven fashion figures Single (one per page) figures as well as groups of two figures per page arrangements All templates are on one side of the page. Reversed side is blank Light grey color for easy sketching over the figures faces on the templates are slightly darker than figures, so you do not have to draw faces if you do not want to Three-quarter, front, and side views included Mild movement and still poses How to use this sketchbook? This book a sketchbook. It is not a book "about fashion drawing". It is a book for drawing in it. Draw your sketches directly in the book Draw right over the figures. Use grey figure as an underdrawing Use pencil or marker (if you are sketching using a marker it will be a good idea to place an extra sheet of paper under the page of the book you are coloring to prevent ink from bleeding through the page) Who should use this sketchbook? Men's wear fashion and clothing designers Students working on men's wear fashion projects Anyone who have fashion ideas for men's clothing and need support in its picturing

Ametora W. David Marx 2015-12-01 Look closely at any typically "American" article of clothing these days, and you may be surprised to see a Japanese label inside. From high-end denim to oxford button-downs, Japanese designers have taken the classic American look-known as ametora, or "American traditional"-and turned it into a huge business for companies like Uniqlo, Kamakura Shirts, Evisu, and Kapital. This phenomenon is part of a long dialogue between Japanese and American fashion; in fact, many of the basic items and traditions of the modern American wardrobe are alive and well today thanks to the stewardship of Japanese consumers and fashion cognoscenti, who ritualized and preserved these American styles during periods when they were out of vogue in their native land. In Ametora, cultural historian W. David Marx traces the Japanese assimilation of American fashion over the past hundred and fifty years, showing how Japanese trendsetters and entrepreneurs mimicked, adapted, imported, and ultimately perfected American style, dramatically reshaping not only Japan's culture but also our own in the process.

Men's Wear Fashion Illustration Resource Book Irina V. Ivanova 2017-05-29 Men's fashion illustration is a neglected subject. Most of the books on fashion illustration are focusing on women's wear. The Men's Fashion Book Jacob Gallagher 2021 The first-ever authoritative A-Z celebration of the 500 greatest names in men's fashion - 200 years of men's style through the work of designers, brands, photographers, icons, models, retailers, tailors, and stylists around the globe
Step by step fashion drawing. Fashion sketches, illustrations, and flats Irina V Ivanova 2019-07-23 This book is a collection of 8 menswear projects illustrated with pencil and marker. In the book, each look has shown layer by layer, step by step. Use this book to learn how fashion flat sketches are corresponding with illustrations to develop a completed fashion illustration from a raw sketch in simple steps to draw flat sketches from preliminary pencil drawing to completed in marker flats, ready for specs to illustrate layered outfits layer by layer The book is very visual by design and contains a minimum of text: only essential captions. Book is not a textbook or manual. It does not teach you "how to draw" however you can advance your skills by following the step-by-step drawing process using the book as a tutorial. Please note that there are no figure templates in the book. All drawings in the book were illustrated with a simple pencil. Sketch illustrations show the original roughness and spontaneity. This "sketchbook" style is instructive and visual. In every illustration, you can see traces of the creative process. All illustrations and sketches are supplemented with matching technical drawings (fashion flat sketches) for each outfit. The "Step by step process" concept reinforces the instructional value of the book. More than 200 hand-drawn illustrations and sketches in the book illustrate every step and every layer. It is a unique book, created by professionals for professionals. The book is practical, visual and makes the complexity of the fashion drawing process easier to comprehend.

American Fashion Menswear Robert E. Bryan 2009 Looks at the evolution of menswear in the United States over the last century, examining uniquely American themes and styles from Levi Strauss and Zoot suits, to cowboys and the counterculture.

Fashioning Masculinities Claire Wilcox 2022-03-03 Unique exploration of how the cultural renaissance following independence evolved into today's dynamic African fashion revolution At a moment of unprecedented creativity in men's fashion and reflection on gender, this thought-provoking, richly illustrated book explores how designers, tailors, photographers, and artists--and their clients and sitters--have constructed and performed masculinity and unpicked it at its seams. Fashioning Masculinities first strips things back to consider the naked male body and the continued influence of the classical ideal: the Adonis--enthusiastically reconsidered by successive generations from 18th-century (Grand) tourists to Robert Mapplethorpe, Calvin Klein, and even Captain America. The book then transitions to explore the very opposite--"the peacock." For centuries men have used clothing to express status, wealth, and individuality. In this section, everything from richly embellished fabrics, shimmering textiles, voluminous cloaks, bulging codpieces, and highly polished armor to Stormzy's stab vest and Prince's boots is featured--the uniting factor being that they have all been worn with swagger and defiance. The final section surveys the suit: the three-piece tailored garment that has come to epitomize masculine attire. But for all its homogeneity, the suit has taken on myriad personas, from the historicizing cut of the Teddy Boys and the bold iconoclasm of Alexander McQueen to the creativity of Billy Porter's "Tuxedo" Oscars gown. Fashioning Masculinities challenges our preconceptions about menswear revealing the fascinating historical roots of the styles we see gracing the sidewalks, catwalks and red carpets of today.

Basics Fashion Design 02: Textiles and Fashion Jenny Udale 2008-08-19 Textiles and Fashion explores the art of creating fashion textiles, from practical processes including fibre production, dyeing and finishing, to construction techniques such as weaving and knitting.

Dress Codes Richard Thompson Ford 2022-01-18 A "sharp and entertaining" (The Wall Street Journal) exploration of fashion through the ages that asks what our

clothing reveals about ourselves and our society. Dress codes are as old as clothing itself. For centuries, clothing has been a wearable status symbol; fashion, a weapon in struggles for social change; and dress codes, a way to maintain political control. Merchants dressing like princes and butchers' wives wearing gem-encrusted crowns were public enemies in medieval societies structured by social hierarchy and defined by spectacle. In Tudor England, silk, velvet, and fur were reserved for the nobility, and ballooning pants called "trunk hose" could be considered a menace to good order. The Renaissance-era Florentine patriarch Cosimo de Medici captured the power of fashion and dress codes when he remarked, "One can make a gentleman from two yards of red cloth." Dress codes evolved along with the social and political ideals of the day, but they always reflected struggles for power and status. In the 1700s, South Carolina's "Negro Act" made it illegal for Black people to dress "above their condition." In the 1920s, the bobbed hair and form-fitting dresses worn by free-spirited flappers were banned in workplaces throughout the United States, and in the 1940s, the baggy zoot suits favored by Black and Latino men caused riots in cities from coast to coast. Even in today's more informal world, dress codes still determine what we wear, when we wear it—and what our clothing means. People lose their jobs for wearing braided hair, long fingernails, large earrings, beards, and tattoos or refusing to wear a suit and tie or make-up and high heels. In some cities, wearing sagging pants is a crime. And even when there are no written rules, implicit dress codes still influence opportunities and social mobility. Silicon Valley CEOs wear t-shirts and flip-flops, setting the tone for an entire industry: women wearing fashionable dresses or high heels face ridicule in the tech world, and some venture capitalists refuse to invest in any company run by someone wearing a suit. In *Dress Codes*, law professor and cultural critic Richard Thompson Ford presents a "deeply informative and entertaining" (The New York Times Book Review) history of the laws of fashion from the middle ages to the present day, a walk down history's red carpet to uncover and examine the canons, mores, and customs of clothing—rules that we often take for granted. After reading *Dress Codes*, you'll never think of fashion as superficial again—and getting dressed will never be the same.

Dress in the Age of Jane Austen Hilary Davidson 2019-10-04 This beautifully illustrated book explores the rich complexity of Regency clothing through the lens of the collected writings of Jane Austen.

The Fashion File Janie Bryant 2010-11-04 From Joanie's Marilyn Monroe-esque pencil skirts to Betty's classic Grace Kelly cupcake dresses, the clothes worn by the characters of the phenomenal *Mad Men* have captivated fans everywhere. Now, women are trading in their khakis for couture and their pumas for pumps. Finally, it's hip to dress well again. Emmy-Award winning costume designer Janie Bryant offers readers a peek into the dressing room of *Mad Men*, revealing the design process behind the various characters' looks and showing every woman how to find her own leading lady style—whether it's vintage, modern, or bohemian. Bryant's book will peek into the dressing room of *Mad Men* and reveal the design process behind the various characters' looks. But it will also help women learn how fashion can help convey their personality. She will help them cultivate their style, including all the details that make a big difference. Bryant offers advice to ensure that a woman's clothes convey her personality. She covers everything from where to find incredible vintage clothing and accessories to how to pair those authentic pieces with modern shoes and jeans. Readers will learn how to find their perfect bra size, use color to convey a mood, and invest in the ten essentials every woman should own. And just so the ladies don't leave their men behind, there's even a section on making them look a little more Don Draper-dashing. O:P
